

EMPOWERING WORDS TO BUILD YOUR CONFIDENCE

STEPHANIE STEWART

“It’s not about ‘what can I accomplish?’ but ‘what do I want to accomplish?’ Paradigm shift.”

~ Brene’ Brown

Hi, I’m Stephanie Stewart and I’m a Certified Christian Life Coach and Certified Professional Life Coach.

After years of studying personal development and experiencing successes and failures in my life, I began to understand that the common denominator for both results was confidence.

When I felt sure of myself, I believed and achieved whatever I set my mind to. When I wasn’t confident, I sought approval from others to keep pushing forward. Without that approval, I failed.

Once I realized how important it is to believe in ourselves, I dove into learning everything I could about building confidence. And it all begins with renewing our mindset.

I believe that in order to live a life of freedom, hope, and contentment, you must first be comfortable with yourself. You should be your own best friend. And you have to trust that you were created by a loving God who designed you to be exactly who you are. When you rely on others to build you up, you’re giving your power away.

Many people spend their whole lives just reacting to what happens around them, instead of taking control and making things happen. It’s often because they lack the confidence they need to live their life on purpose.

They struggle with feeling insecure. They look at the best moments of others’ lives and compare them to the ordinary moments of their own. From there, it’s a slow fade into feeling inadequate, inferior, and undeserving.

I created this book to help kickstart the process of renewing your mind. Inside, you’ll find some of my favorite scriptures and quotes to remind you of your inherent value and how deserving you are of God’s blessings. My hope is that it will help you grow in confidence in yourself.

We ask ourselves, ‘Who am I to be brilliant, gorgeous, talented, fabulous?’ Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.” ~ Marianne Williamson

Keep this Book of the Law always on your lips; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful. Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.” ~ Joshua 1:6-9 (NIV)
